

INDIAN PALMS COMMUNITY ASSOCIATION (MASTER)

Homeowners • Tenants • Guests

IMPORTANT NOTICE

Please be advised that **weather permitting**, Eisenhower Drive, between Country Club Drive and Odum Drive, will be removed and replaced beginning at 7:00 A.M. Thursday, September 10th through Friday, September 11, 2020.

Please check the street closure schedule so that you may properly place your vehicle(s) for your use during the construction process. To help avoid problems, we highly recommend moving your vehicle(s) outside of the work area the evening before work is scheduled to block your driveway.

Please notify any guests, contractors, service or delivery people, who may be impacted so alternative arrangements may be made to avoid a problem.

Please **do not** drive or walk in barricaded areas.

Please turn sprinkler systems off on property adjacent to scheduled construction areas the afternoon before, as well as, the day work is scheduled in your area. Please **avoid running any water** which will influence the street areas.

If delayed due to weather or circumstances beyond our control, we will maintain the posted schedule and pick up the delayed portion of work at the end of the posted schedule.

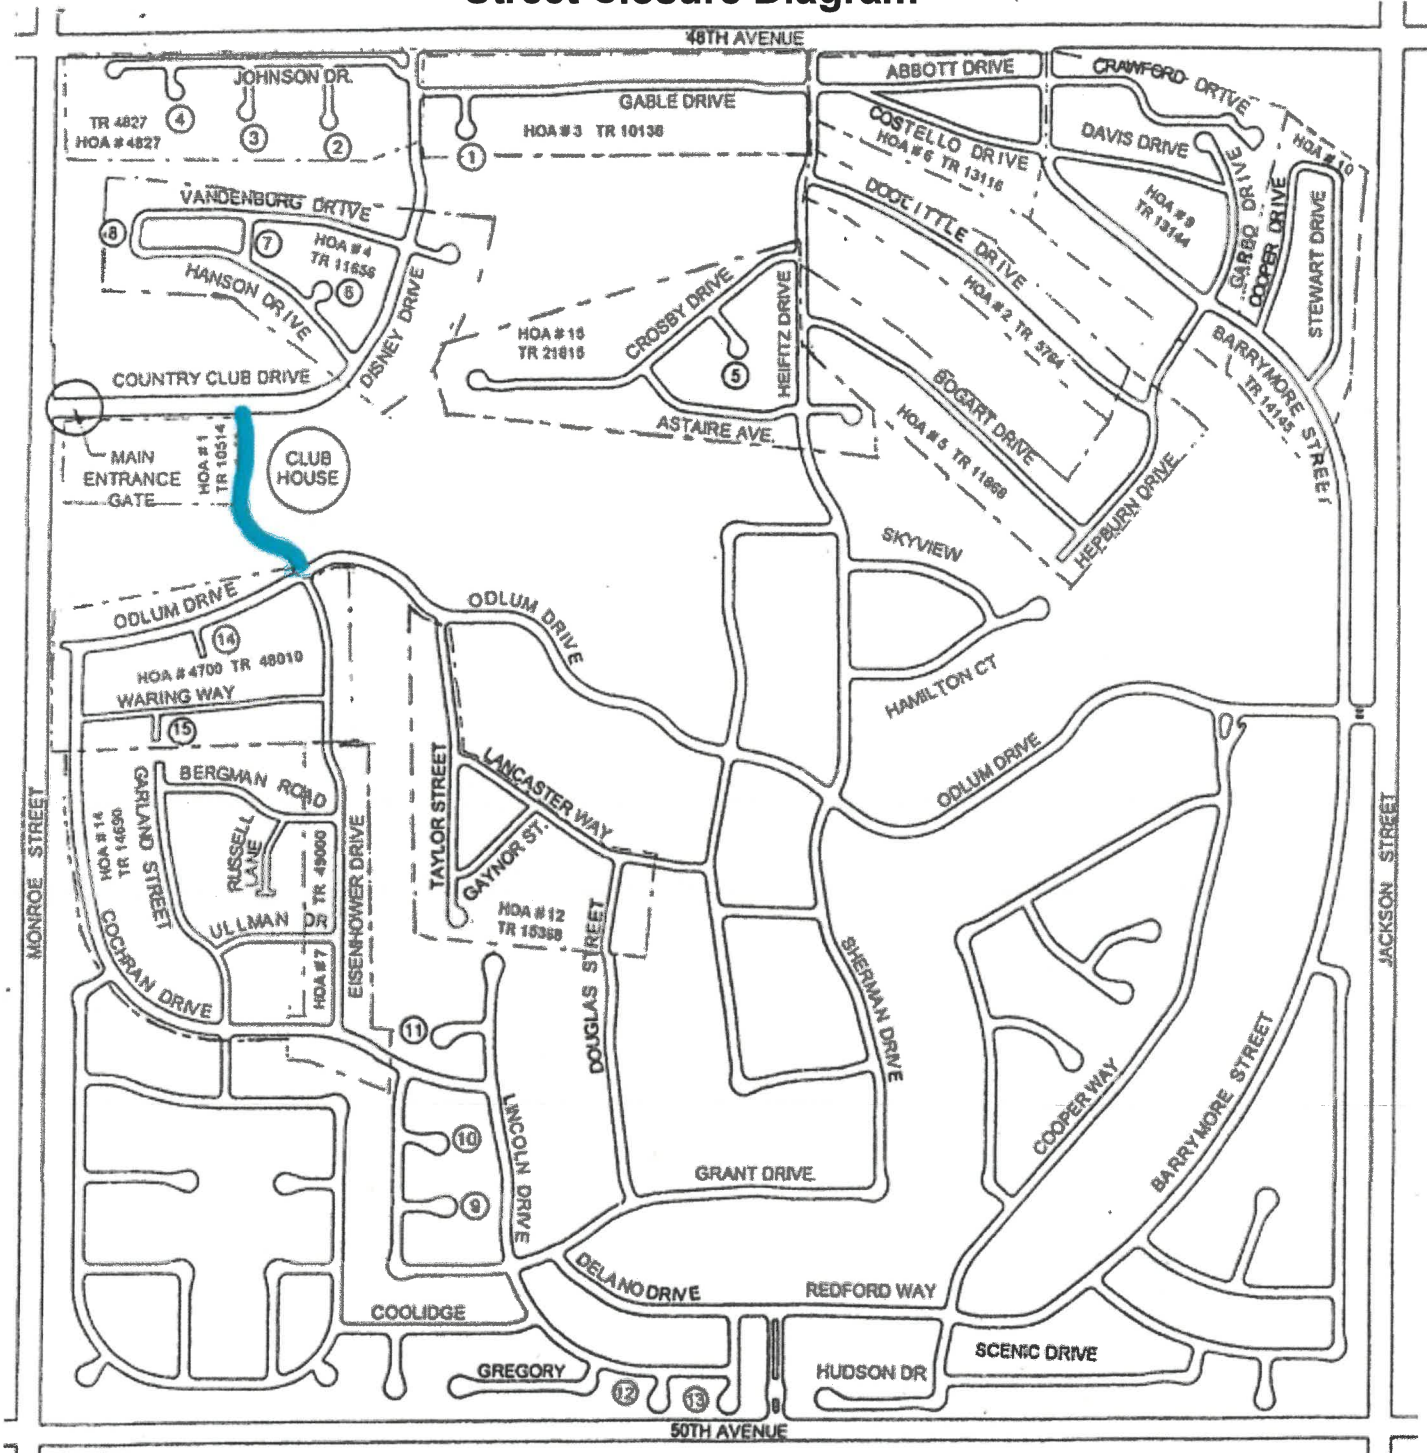

If you have any questions, please call the association management company or the office of Asphalt MD's @ (760) 863-4500.

Thank you for your cooperation and patience.
