

INDIAN PALMS HOA

MAY 2024

TURF

Mowing –Height of mowing will be lowered to encourage Bermuda transition.

*Ryegrass will be dying out as the weather warms. Correct irrigation deficiencies as dry spots appear. Increase irrigation as needed. Fertilize to help bermuda fill in weak areas. Spray nutsedge and broadleaf weeds as they appear.

Fertilization – Fertilizer will be applied as needed.

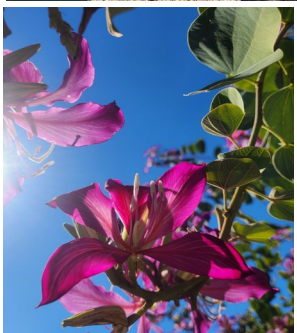

Herbicide – Spot spraying of broadleaf weeds with herbicide will continue to be done as needed.

SHRUBS

Focus Pruning – Seasonal pruning will continue this month.

* Shrubs will grow rapidly this month. Complete any heavy pruning by the end of the month. This is the last chance for new plantings before the hot weather.

TREES

Scheduled Trimming – Date palms are scheduled for pruning this month.

HIGHLIGHTS

Notes: It's May and the weather is warming up. Now is the time to prepare for the extreme heat of summer.
