INDIAN PALMS COUNTRY CLUB ASSOCIATION**

BOARD OF DIRECTORS MEETING | EXECUTIVE SESSION
Thursday, October 10, 2024, at 10:00 A.M.

CLOSED TO HOMEOWNERS

NOTICE & AGENDA

I. CALL TO ORDER

II. CONTRACTS - STREET CRACK FILL AND SEAL COAT

- Review Contracts & Approve for possible Fall or Spring Timeframe

III. ADJOURNMENT

- Owners Note: this year both Associations are going to work together and do all streets at the same time because there are numerous shared streets of the Master and IPCCCA. This will make the entire property unilaterally done at the same time but also by contracting both together, will save each HOA money. To clarify IPCCCA does their own streets, and the Master does all other HOA's streets.
