

Parking during the Coachella & Stagecoach Festivals

IPCCA HOA ONLY

Festival Dates: April 11-13, April 18-20 & April 25-27, 2025

<https://hoa-ipcca.com/>

Homeowners, the Board of Directors & Patrol Masters will not enforce the no overnight parking rule for IPCCA during the three festivals weekends. This means that starting on Thursday (1:00am) to Monday (6:00am) of the three weekends, you will not be ticketed or towed.

Please be sure to educate your short-term rental guests & family members of the HOA Rules & Regulations and the City of Indio noise ordinance. Both can be found on the website on the main page. You are solely responsible for the behavior of people residing in your home.

If you need to file a noise complaint, please do so by calling Indio Code Enforcement or file a complaint with them through the City of Indio website. Also, call the police if warranted. If you need to file something with the HOA on the next business day, video evidence is required for the Board to go after the homeowner. You can send that to Nick Evans at PPM to nevans@ppminternet.com with a description of the complaint.

Remember Patrol Masters will be onsite during the festivals to patrol IPCCA (from 12-6 am only). Feel free to call them if you need assistance with a trespasser, people at the pools after hours, or a noise issue, etc. and they will send patrol over. This company is independent from the front gate security (Allied) and works directly for IPCCA only. You can reach them at 877-648-0602.

If you need the front-gate staff, their number is 760-863-4161 and the call list is attached from the City of Indio.

Thank you,
Board of Directors – IPCCA

**2025 Coachella and Stagecoach Festival
